

# Meet your teacher

Hello, I am Miss Bishop! I am very excited for the school year ahead and to be teaching you, the new Racers, in Year 6. We always have a fantastic time in year 6 (it is the best year of school of course). It is going to be a great year, filled with lots of lovely and fun topics and trips.

## In Racers' class

We are kind and caring towards one another. We value each other's ideas, thoughts and actions. We are always polite and responsible role models throughout the school. We always try our best and understand it is okay to make mistakes as it gives us a chance to learn from them.

I am looking forward to meeting you all and finding out about each of your unique talents and strengths ☺ .
