

Meet your teacher

Hello, I am Miss Hobson. I am so looking forward to the school year ahead and to be teaching you in Year 6, in River Jacks class (did you know that a River jack is a beautifully patterned snake!).

It is going to be a great year filled with lots of fun learning and year 6 adventures!

In River Jacks class

We will learn together and support each other as a team, always working hard and trying our best. We will care about each other and value each other, taking responsibility for our thoughts and actions. We will share our unique talents and strengths and be ambassadors for the school, setting an example to others through our attitudes and behaviour. I am looking forward to learning more about you and getting to know you!

My favourite things

Colour: Green

Food: Roast dinner

Subject: Art

Book: My British Wildlife book

Sport: Swimming

Emoji: 😊

All about me!

- I have been a teacher for a very long time -about 23 years now! I have taught every single year group and have worked in lots of different types of schools across the country.
- I love nature, especially birds and like to go on long walks in the countryside.
- I have a sister who has two dogs (one of them is called Pool!) and a brother who has two daughters, (my nieces), one of which is also going to be in Year 6 in September, like you!

I can't wait to see you all in September and start our year 6 learning journey together!

Have a lovely summer holiday 😊
