

Meet your teacher

Hello, I am Miss Wallace! I am massively excited for the school year ahead and to be teaching you, the new Red Vipers, in Year 6. We always have a fantastic time in year 6 (it is the best year of school of course). It is going to be a great year, filled with lots of lovely and fun topics, trips and chances to be superb role models because you will be top of the school.

In Red Vipers' class

We work hard and always try our best; we are honest and take responsibility for our learning, choices and actions; we reward our hard work with fun and laughter; we respect each other by listening to each other and treating everyone how we would like to be treated; we are ambassadors for Balfour by following the rules and setting an example for the rest of the school; we know it is ok to make mistakes as long as we learn from them and we are unique as individuals, but united as a class! I can't wait to meet you all!

My favourite things

Colour - the rainbow (I know it's more than one colour)

Food - thai food especially massaman curry

Subject - PE and science, but really I love all subjects... and learning new things

Book - City of Bones by Cassandra Clare.

Sport - roller skating, dancing and ultimate frisbee

Emoji - the rolling eye emoji, the crying laughter face and the monkey covering their eyes!

All about me!

- I have 2 cats and 2 snakes
- I am a big fan of bright colours (you may have seen me wearing my bright gym leggings on days when my class have PE)
- I used to be a European champion roller skater
- I really like learning new things and sharing interesting facts and videos with you
- I love sports
- I really like arts and crafts

I can't wait for you to join Red Vipers class in September!
