

## NOTES FROM THE HEADTEACHER

Dear Families,

Welcome to the June edition of our newsletter. Yes that is correct – June! I don't know about you but the time this year has just whizzed by. This was really brought home to me last week when I was introducing our Reception classes' assemblies, it hardly seemed possible that it was a year ago I was welcoming them to the school as the New Headteacher who hadn't even yet started. So much has happened this year and so many positive outcomes.

Alan Gunn  
Headteacher

In the last newsletter I asked for feedback about the newsletters. You confirmed the view that the newsletter is too long and had too much information and that families seldom read all the articles. Please watch out for a rebrand in the Autumn!

The main thing I want to share with you is an update on the school streets. The School Streets design consulted on in 2022 and 2023 is planned to launch at the start of the new school year in September 2023. The School Street will launch with an Experimental Traffic Regulation Order (ETRO), which allows the scheme to be further reviewed, consulted on and changes made while it is in operation for 6-18 months. Following this a decision will be made on whether it is to be made permanent.

On **Friday 14th July** we will be taking part in a **School Streets Taster Day** in partnership with Brighton & Hove City Council. We will be trialling the School Streets **road closure** on **Friday 14th July** from **8.15am until 9.15am** and **2.45pm to 3.45pm**

The closure will take place on Balfour Road from Ditchling Road to Bates Road, and Loder Road from Loder Place to Balfour Road.

This Taster Day will provide pupils, their families, and local residents an opportunity to experience a School Street in action in advance of the new scheme being introduced in September.

On the day, sections of Balfour Road and Loder Road will be closed to non-essential, non-exempt motor vehicle traffic during the morning school run from 8:15am until 9:15am and again from 2:45pm until 3:45pm on Friday 14th July.

This closure will be managed using barriers on the road that will be operated by Brighton & Hove City Council staff and trained stewards in high-visibility jackets. The barriers will be removed outside of these times.

Motor vehicle restrictions will not apply to

- Residents living within the closed sections,
- Care visitors of residents,
- School staff and other employees of businesses within the closed sections,
- Emergency services vehicles,
- Contracted school transport vehicles,
- Blue Badge holders
- Tradespeople and deliveries conducting business within the closure.

If you are exempt from the closure, please approach the barriers slowly and a council steward will speak with you to confirm your exempt status and let you through.

Any parking restrictions will operate as normal.

We would love it if you could support us by walking, cycling or scooting to and from school on the day! However, if you need to use a car, please use this as an opportunity to better understand how the street will operate full-time next year and try to park as far away from the school as you can. It is important to be mindful of local residents by not obstructing driveways and public transport routes.

We are excited about this opportunity and encourage you to discuss School Streets with and provide feedback to BHCC Staff during Taster Day.

Thank you as always for all your support.

## Y6 BLACKLAND FARM

What a fabulous time Year 6 had at Blacklands!

It certainly didn't disappoint and we had it all: storms, sunshine, tent inspections, hot chocolate around the fire, capture the flag against the teachers and Trekco staff, so much fun! Other activities included rock scrambling, canoeing, log walk and the all aboard.

**Thank you** to all of the children, who were brilliant!

Lots of them hadn't stayed away from home before and really showed their growing independence, resilience and were so kind and supportive of each other - such an important step as they are moving onto Secondary. Also, a big thank you to the staff who gave up their time to come and enjoy it with us, and to the amazing Trekco staff.

If you haven't heard, Girl Guiding UK are planning on selling the Blacklands site.

Blackland Farm opened in 1938 and was donated to Girlguiding. Since that time it has offered many outdoor and adventure opportunities for young people. Our children at Balfour have made many happy memories there over the years and it would be such a shame to potentially lose such a wonderful resource.

You can sign the petition against that happening here:

## PUPIL PREMIUM UPDATE

Sandra Mulholland  
Deputy Headteacher

Natasha Paling  
Pupil Premium Deputy

It is hard to believe that we are coming to the end of another academic year! When we look back over this past year, we are amazed at how much we have managed to achieve as a school and we are looking forward to moving forward with the feedback received from the reviews we had carried out this year.

For those families who are in receipt of Pupil Premium, the Summer Holiday Activities and Food (HAF) programme bookings are live now! HAF offers **FREE** activities, plus a meal, throughout the summer holidays. To access HAF the child or young person must be school-aged in Reception to Year 11 and receive benefits-related free school meals. There's something fun for everyone, and each eligible child will have access to up to 16 HAF sessions this summer.

Families can book now with their chosen Summer HAF providers! Visit: [www.eequ.org/brightonhovehaf](http://www.eequ.org/brightonhovehaf)

For more programme information go to: [www.brighton-hove.gov.uk/HAF](http://www.brighton-hove.gov.uk/HAF) or email [HAF@brighton-hove.gov.uk](mailto:HAF@brighton-hove.gov.uk)

In September we will have a facility for our families to access food, toiletries, school clothes, coats, wellies and much more! So, watch this space.

As always, please do get in touch if you have any queries regarding Pupil Premium.

## AN UPDATE ON SHEILA THE BALFOUR SHEEP

We have been very busy behind the scenes painting the Balfour sheep in aid of the Martlets. We have taken 6 children's designs and amalgamated them together to create 'Sheila - the Saviour of our Species'. Lailly (from Red Vipers), Leo (from USA), Imogen (from Fern), Rory (Lemon Tree), Herb (Laurel) and Elsie (from Armadillos) have been busy creating their vision on Sheila! She is looking fantastic and we are so proud of these talented children. As you can see from the pictures, they have been busy at work.

In September she will be part of the trail around Brighton and you will see our finished piece of Art on display.

The Martlets is such an important charity in Brighton. If you are able to donate any money, it would be great to raise the total on our Justgiving page - please see link below.

[Balfour Primary School is fundraising for Martlets Hospice \(justgiving.com\)](https://www.justgiving.com/BalfourPrimarySchool)

## AN UPDATE FROM SMARTER UNIFORMS

We now have an [online market place](#) where parents and carers can buy and sell second hand uniforms. It's a great way for parents, carers and pupils to make some money whilst doing a good thing for the environment by reducing uniform waste.

We will also be hosting pop up events where parents will be able to get second hand uniforms, as well as get help to upload uniforms they want to sell to the marketplace.

For more information visit [Smarter Uniforms](#)

## FREE SWIMMING OPPORTUNITIES IN THE CITY

## FAB UPDATE

### MESSAGE FROM THE CHAIR

So.... wasn't the circus good! Once again we were really lucky with the weather and we were spared the worst of the heatwave (don't we love to complain about the weather). As a result we saw lots of families out on the grass enjoying picnics, ice cream and Pimms. It really was fabulous seeing so many happy faces and that's not just the kids with candy floss. It was also great to see all those volunteers come and help. The team on the bar especially were phenomenal as were the enterprising girls who sold doughnuts to everyone. Big thanks to all of you and also to Georgia and Chloe from Move Revolution for their sponsorship and help at the ticket desk. The winners for the word search competition they ran happily received their prize this week too.

Next to come is the end of year showpiece - the Summer Fair. FAB's biggest and best event is coming soon. Lots of fun for adults and children alike. There will be the usual assortment of inflatables, games, food, drink and of course Balfour's Got Talent. If you haven't been yet then don't hesitate to mark it in your diary. Saturday 15th July.

Of course being the biggest event of the year also means we need lots of volunteers... without enough of you these events can't function so please take a moment to donate an hour of your time using the online sign-up sheet. It makes so much difference it really does. You can sign up to volunteer here:

<https://friendsatbalfour.org/2023/06/21/summer-fair-volunteer-slots/>

As always FAB is looking for enthusiastic people to come and be part of our mission. If you want to make a difference to our children's school experience and have a bit of time then send us a message, see us in person at the fair or come to our regular monthly meetings and say Hi! The next FAB committee meeting is on Tuesday 11th July at 8pm KS2 – all welcome!

See you at the fair...

## FAB NEEDS YOU!

Do you have any skills that you think would come in handy? We'd love to hear from you. We have lots of places for parents just like you. If you have a background in anything, it doesn't matter; we are a diverse bunch at FAB and would gladly welcome you aboard. We are currently looking to fill the roles for: Vice-Chair, Website, Volunteer Coordinator, Food Team members and Activity Leaders.

Drop us a line anytime if you are curious or interested in ways you can help. There is no obligation to do more than that, we are a friendly bunch of parents just like you!

## BALFOUR SWIM SCHOOL

The swim school is run for all levels and is priced very keenly to support the children of the school. In light of upwards pressures on costs we have been forced to increase prices slightly however these have been kept as minimal as possible.

Places are still available. Please email [balfourswimmingschool@yahoo.co.uk](mailto:balfourswimmingschool@yahoo.co.uk) if you're interested, or would like more information.

## 100 CLUB

The Balfour 100 Club is open to all Balfour parents, carers and staff and costs just £5 per number per month. You need to sign up for at least a year.

Half the monthly takings are given out in prize money; the other half is used for the benefit of the children at school.

Join anytime to help the school raise much-needed funds. To sign up, or for more information, please email [fab100club@gmail.com](mailto:fab100club@gmail.com).

## RAISE MONEY WHILST YOU SHOP

There is a really easy way to raise money for the school while shopping online:

### 1. easyfundraising

Join for free at: [www.easyfundraising.org.uk/causes/friendsatbalfour/](http://www.easyfundraising.org.uk/causes/friendsatbalfour/)

Then when you shop online, go to [easyfundraising.org.uk](http://easyfundraising.org.uk), find the retailer you want, click through and shop in the normal way. The retailer will automatically make a donation to your cause when you check out.

There's a Donation Reminder you can download so you don't forget.

That's all there is to it. There are no catches or hidden charges to you or the school. Just more money to help enhance the children's education.
